

Report from PP Anwer on RI President Ray's visit to Guangzhou

At the Intercity Meeting in honour of RI President Ray Klinginsmith on Tuesday 17 August, PP Anwer of RC Kingspark Hong Kong was asked to give a short report on the latest development in Guangzhou. PP Anwer thanked RI President Ray for travelling all the way to Guangzhou, immediately upon his arrival in Hong Kong, to join the fellowship meeting of the Guangzhou Rotarian Group at the GZ Westin Hotel on Monday 16 August. About 40 Rotarians and guests were present, including a number of District Officials, Rotarians and potential Rotarians from the Guangzhou area. PP Anwer reported that the group of potential Rotarians have been meeting regularly since May and they are all highly enthused and ready to serve. However, PP Anwer indicated that they intend to seek authorization from the proper channels before forming a provisional club. In the meantime, we are all encouraged to visit them whenever we are in Guangzhou and attend their meetings to show support. PP Anwer will provide us with information on their upcoming meetings in due course.

Four Kingsparicans were present at this historical meeting - President Stephen, PP Anwer Islam, PP Tom Hui and Rtn. Raymond Lam."
